Notes: Suggestion Only !!!!!

\* For Port Phillip Bay (PPB) go anywhere trips a weigh master will be appointed to collect photos via email on the club brag mat. The APP Timestamp is to be used to confirm date and time that fish are caught. Photos must be in by the night following the competition end to allow the Weigh master to collate the information and present a trip report.

for PPB Go Anywhere S/W S/E lodge open to members attending the competition a weigh master will be appointed to collect photos and weight sheets via email on the club brag mat. The APP Timestamp is to be used to confirm date and time that fish are caught. Photos must be in by the night following the competition end to allow the Weigh master to collate the information and present a trip report.
